4 - CHRONIC DISEASE PREVENTION PRODUCTS

According to the World Health Organisation, approximately 60% of all chronic diseases (cancer, heart disease, stroke, diabetes, osteoporosis, dental diseases) can be prevented by adopting a healthy lifestyle, good diet and nutritional supplementation. Dr Gunn's Wellness Studios provide a range of products specifically aimed at helping to prevent or alleviate these diseases.

5 - PRODUCTIVITY ENHANCEMENT PRODUCTS

Research and experience has shown that certain bad eating and behaviour patterns, poor diet, lack of good nutrition, weak muscles and little exercise can negatively impact mental and physical work performance and productivity! Dr Gunn's Wellness Studios nutritional products promote improved work performance and have a track record of counteracting shift fatigue.

6 - WATER FOR LIFE PRODUCTS

We have a range of water filtration, decontamination and other related products. As water is essential for life, it is imperative that the water you drink is both germ-free and toxin-free. Our products are unique and scientifically tested.
